DESCRIPTION

1963 Morane-Saulnier MS 885 Super Rallye: four seats, slats and a Continental O-300, ARC to August 2027, Bad Arolsen (DE)

The Super Rallye is a robust, honest French classic. Automatic leading-edge slats give it gentle handling and short take-off and landing distances, so it is at home on grass strips. The Continental O-300 is simple and economical, and the short exhaust gives it a proper vintage sound. Its owner is selling only because he no longer has time to fly.

The airworthiness review was renewed in August 2026, together with a 100-hour check and a corrosion inspection. The physical survey found no defects, and the ARC is valid until 06.08.2027.
