DESCRIPTION

The Cirrus SR22T G7 represents the latest evolution of Cirrus' flagship high-performance piston platform, combining advanced avionics, turbocharged performance, and refined cabin comfort in one of the most recognized aircraft in modern general aviation.

This particular example presents in clean overall condition with the sleek composite styling and strong ramp presence that have defined the SR series for years. Designed for efficient cross-country travel and everyday usability, the SR22T G7 GTS offers an impressive balance of speed, technology, and comfort for owner-pilots and business travelers alike.

Powerplant & Performance

Known for its strong climb capability, smooth cruise performance, and high-altitude efficiency, the SR22T platform continues to set the benchmark for modern personal aviation.

Avionics & Cockpit

The G7 cockpit introduces a refined glass-panel avionics environment featuring large-format displays, intuitive systems integration, and a clean ergonomic layout designed to enhance situational awareness and pilot comfort.

Premium interior materials, excellent visibility, and a modern cabin design create a sophisticated flying experience for both pilot and passengers.

Exterior & Presence

With its sculpted composite airframe, streamlined profile, and unmistakable Cirrus styling, the SR22T G7 GTS maintains a polished and contemporary appearance both on the ramp and in flight.

The Perfect Airplane For

The SR22T G7 GTS is ideally suited for pilots seeking a technologically advanced aircraft capable of efficient long-range travel while maintaining exceptional comfort and everyday practicality.

A sophisticated and versatile platform that combines modern avionics, turbocharged performance, and premium design in one of general aviation's most respected contemporary aircraft.

IMPORTANT INFORMATION

Closing times can change

The closing time shown is indicative. Auctions may be extended automatically when bids arrive close to the deadline, and CollectAirs may reschedule, pause or withdraw a lot at any time. The time shown on the website governs.

Prices are indicative

Starting prices, current bids and any reserve are subject to change and may be corrected, revised or withdrawn. Where a lot carries a reserve, the amount is confidential and the lot will not sell below it. Figures here exclude applicable fees, taxes, duties, transport and registration costs.

No offer and no contract

This document is provided for information only. It is not an offer, a valuation, an appraisal, or an invitation to treat, and it forms no part of any contract. Bidding and sale are governed solely by the CollectAirs Terms and Conditions in force at the time of the auction.

Condition and airworthiness

Aircraft are sold as they stand. Descriptions, specifications, hours, dates and maintenance status are supplied by the seller and, while CollectAirs curates and verifies listings, they are not warranted as complete or accurate. Buyers are expected to carry out their own inspection, records review and pre-purchase survey before bidding.

Export, registration and compliance

Deregistration, export, import, customs, tax and re-registration are the buyer's responsibility, as is confirming that the aircraft can be lawfully imported and operated in the intended jurisdiction. Requirements vary by country and can affect both cost and timescale.

Photography and written content

Photographs are supplied by the seller and may have been edited for exposure, colour, straightening or the removal of background distractions, in some cases with AI-assisted tools. Parts of the written description and specification summaries may also have been drafted or edited with AI assistance for clarity and consistency. Such enhancements are made to present the aircraft clearly and are not intended to conceal, add or alter any physical feature, damage or defect. Photographs are illustrative, treat the aircraft itself, and its records, as the only authority on condition.

Seller identity

Seller names are shown in the partially masked form used across the platform. Full counterparty details are exchanged through CollectAirs once an auction concludes.
