DESCRIPTION

A refined Piper PA-46 Malibu Mirage , representing one of the most desirable pressurized single-engine aircraft in modern general aviation. With its sleek low-wing design, cabin-class proportions, and long-distance capability, the Malibu Mirage combines elegance, efficiency, and serious travel performance.

Developed as part of Piper's PA-46 family , the Malibu Mirage brought pressurized comfort and high-altitude cruising into the owner-pilot market. Powered by a 350 hp Lycoming TIO-540-AE2A turbocharged piston engine, it offers strong cross-country capability while maintaining the practicality of single-engine ownership.

Technical Features & Avionics

The Malibu Mirage is known for its pressurized cabin, retractable landing gear, turbocharged engine, and comfortable six-seat configuration. Designed for efficient private and business travel, it offers a premium flying experience without the complexity of twin-engine operation.

Exterior & Interior

The aircraft features a clean, aerodynamic profile with a confident ramp presence. Inside, the cabin is designed for comfort, visibility, and long-distance travel, making it attractive for private owners, families, and business users.

Ownership & Legacy

The PA-46 series became one of Piper's most important high-performance aircraft families, later forming the basis for models such as the Meridian, M500, M600, and M700 Fur y. The Malibu Mirage remains a respected choice among pilots looking for a pressurized piston single with strong heritage and lasting market appeal.

The Perfect Airplane For

This Piper PA-46 Malibu Mirage is ideal for pilots and owner-operators seeking a refined, pressurized single-engine aircraft with comfort, performance, and elegant long-range capability.

IMPORTANT INFORMATION

Closing times can change

The closing time shown is indicative. Auctions may be extended automatically when bids arrive close to the deadline, and CollectAirs may reschedule, pause or withdraw a lot at any time. The time shown on the website governs.

Prices are indicative

Starting prices, current bids and any reserve are subject to change and may be corrected, revised or withdrawn. Where a lot carries a reserve, the amount is confidential and the lot will not sell below it. Figures here exclude applicable fees, taxes, duties, transport and registration costs.

No offer and no contract

This document is provided for information only. It is not an offer, a valuation, an appraisal, or an invitation to treat, and it forms no part of any contract. Bidding and sale are governed solely by the CollectAirs Terms and Conditions in force at the time of the auction.

Condition and airworthiness

Aircraft are sold as they stand. Descriptions, specifications, hours, dates and maintenance status are supplied by the seller and, while CollectAirs curates and verifies listings, they are not warranted as complete or accurate. Buyers are expected to carry out their own inspection, records review and pre-purchase survey before bidding.

Export, registration and compliance

Deregistration, export, import, customs, tax and re-registration are the buyer's responsibility, as is confirming that the aircraft can be lawfully imported and operated in the intended jurisdiction. Requirements vary by country and can affect both cost and timescale.

Photography and written content

Photographs are supplied by the seller and may have been edited for exposure, colour, straightening or the removal of background distractions, in some cases with AI-assisted tools. Parts of the written description and specification summaries may also have been drafted or edited with AI assistance for clarity and consistency. Such enhancements are made to present the aircraft clearly and are not intended to conceal, add or alter any physical feature, damage or defect. Photographs are illustrative, treat the aircraft itself, and its records, as the only authority on condition.

Seller identity

Seller names are shown in the partially masked form used across the platform. Full counterparty details are exchanged through CollectAirs once an auction concludes.
